

Moss Vale High School

Respectful, Safe and Responsible Learners

Dear Parents and Caregivers,

It is unfortunate that this year, due to COVID restrictions, we are unable to hold our usual subject selection evening. These evenings have always been a great opportunity for parents and students to hear about the various courses on offer and to ask questions of our staff in a personalised manner. However, our teachers have been highly inventive this year and have created 'loom' videos in order to communicate vital information about their courses. Please take the time with your child to click on the links to these looms and carefully consider which courses may be most suitable, taking into account your child's interests, talents and future career goals. Please know that our teachers are still happy to respond to any questions that you or your child may have in relation to course content or its suitability for your child.

Finally, I would like to thank our hard working teachers for putting these informative loom videos together for our very different 2020 subject selection process.

Kind regards,

Patricia Holmes
Principal
