## Relieving Principal's Report

Term three has been an incredibly busy and productive time at Moss Vale High School. We have had the outstanding win by our boys' hockey team which placed them 5<sup>th</sup> in the state, the Community of Schools Middle School Project, Aboriginal Cultural Celebration day, Inspire, Southern Stars, Viva Moss Vegas and many more wonderful opportunities that are given to our students each term. I would like to thank the hardworking staff members who make all of these opportunities possible.

The SRC did a fantastic job organising our annual Viva Moss Vegas talent quest this year with a wide variety of talent and performances such as the African drumming, hip hop dance, vocalists and bands. Ms Reid, Ms Burke, **Amelia Murphy** and I had an exceptionally difficult job as judges to find only three winning performances. Although everyone performed brilliantly, we decided upon vocalists **Brooke Sheather** and **Adrian Bishop** as first place, the boys' hip hop in second place (**Josh Huggett, Alex Kaegi-Vincent, Liam Reed, Ashley Thatcher, Brad McMahon, Jake Kenny, Elijah Wren, Louis Economos** and **Aaron Preddey**) and vocalist **Charlotte Fitzgerald** in third place.

Congratulations to **Stefanie Clifton, Charlotte Fitzgerald, Elisha Ford** and **Torii Cathie** on their TWO wins against Bowral High School in the recent Premier's Debating Challenge. The girls participated in two difficult debates on the following topics in which they were the affirmative team, 'Computers hinder our education' and 'There should be more male teachers'.

Many thanks to Ms Davidson and Mr Parro for coaching the girls to this level of success.

### School Captains 2012-2013

I am pleased to announce that our new school captains have been voted on by our staff and students. **Alesha Magrath** is our female captain with **Amelia Murphy** as vice-captain, and **Brad Souter** is our male captain with **Josh Brodie** as vice-captain.

Congratulations to these fine young people who have already been doing a great job leading the SRC.

## New Principal

Mr Peter Macbeth has been appointed as Principal through merit selection and will begin at Moss Vale High at the start of 2013. Peter is a highly experienced Principal and comes with great accolades as a highly capable and collaborative leader. I am looking forward to working with Peter throughout next term in the lead up to his arrival in 2013.

## Year 12 Farewell

I wish all of our Year 12 students a fond farewell as they finish the formal part of their secondary education. You are a wonderful group of young people and you all have great potential to make a difference in whichever path you choose to take in the years ahead. Remember all the advice that your teachers have given you in the lead up to the HSC. Most importantly, look after yourselves and be good to those around you who have helped you achieve this milestone in your journey.

All the best for your exams and I look forward to catching up with you all at your formal.

I would also like to thank Mrs Wells, as Year 12 Adviser, and Mrs Norris, as Head Teacher of Year 12, for their hard work and tireless support of these students throughout the year.

## Final Farewell to Adelle Morris

The school community is very sad to bid a final farewell to a much loved and valued member of our staff, Mrs Adelle Morris. There is not enough room in this newsletter to acknowledge the many millions of things that Adelle has done for the staff, students and their families over the past 30 years of service at Moss Vale High. Adelle is one of the most patient, caring, compassionate, intelligent, insightful and hardworking teachers that I have ever had the pleasure to work with over the years. I know all of our students and staff will miss her terribly, but we wish her only the very best in her retirement and hope to see her back at Moss Vale High as a regular visitor.

Adelle, all the best and thank you for all that you have done for the many thousands of people over the past 30 years at Moss Vale High.

## THANK YOU, CRAIG

As you know, I have been relieving principal throughout this term and I have to acknowledge that I would have been lost without the support of the fabulous Craig O'Brien as my deputy principal. Craig managed to carry the load for several weeks for me as I struggled to cope with a recent family tragedy. Craig, at all times, has dealt with the seemingly insurmountable demands that a deputy faces each day with grace, good judgement and an outstanding sense of humour. I admire the way in

which he has dealt with each and every student with the 'firm but fair' approach and I know the students have appreciated having him as their deputy. Craig will be off on a much deserved holiday for most of next term and the equally fabulous Jemima Finlayson will step up as relieving deputy principal.

Craig, thank you for your outstanding support and enjoy a relaxing break!

*Patricia Holmes

## *New Principal Introduction .....*

### **Looking forward . . .**

My name is Peter Macbeth and last week I was lucky to be chosen to be the next Principal of Moss Vale High School. I am honoured and so very excited to have been given this wonderful opportunity. I am excited about what the future holds for the students, staff, parents and community of Moss Vale High School. I very much look forward to working with you all and becoming part of the Moss Vale school community and community in general.

My previous position has been as the Principal of Gilgandra High School but in 2012 I have been working in a senior leadership role in Western Region managing Aboriginal Education.

I officially take up my position at Moss Vale High at the start of next year but will be spending as much time as possible over the course of term 4 at Moss Vale getting involved and getting to know all aspects of Moss Vale High School and Moss Vale.

I am married. My wife Emily is a bank manager. I have three children. My eldest daughter Holly is 15 and will start year 11 at Moss Vale High in 2013, my middle daughter Sarah, 14 will start year 9 next year and my son Matthew, who is 8 years old is looking forward to starting year 3 at Moss Vale Public School in 2013.

I look forward to working very hard with our school community so that we can continue to ensure that our students receive an education of the highest quality. Students are my focus! I look forward to meeting and working with you all.

Best Wishes,  
Peter Macbeth

## Year 12 End of Year Activities

Year 12 students have been given a handout on August 31 explaining their Graduation and Formal. According to the latest bulletin released by the DET, "Most students behave responsibly and in a manner that brings credit to themselves and their school. However, students should be reminded that antisocial activities are not appropriate at any time or in any place, and that they should not expect to be exempted from the law on the basis of their status as students.

I seek your assistance in ensuring that Year 12 students clearly understand their responsibilities when engaging in end of year activities and that any such activities should be designed to bring credit to themselves, their peers and their school, and provide an opportunity for the school community to wish them well."

Mrs Wells  
Year Adviser

## THANK YOU P&C

Many thanks to our wonderful P&C for meeting the entire cost of our signs for Positive Behaviour for Success and for the \$10,000 contribution to our new Covered Outdoor Learning Areas.

Our school community is grateful for your unending generosity, support and dedication to Moss Vale High School.

## Open Boys Hockey

After ambushing six teams in the NSW CHS Boys Hockey Knockout, the Moss Vale High School Boys had gained a position that no other boys hockey team had achieved in the school's history. That is, a place in the top 8 schools in NSW. To determine which public high school was the champion hockey playing school in the State, the boys travelled to Newcastle to face some very determined, talented and well drilled sides.

The luck of the draw would see the boys playing one of the best hockey areas in NSW first up. Bathurst was one of the favourites to take the overall honours although reputations didn't count for much as Moss Vale really took it up to the Bathurst Boys in the opening stanza. The first 20 minutes were very tight with both sides having opportunities although as the game progressed, the Moss Vale boys seemed to be getting the upper hand. This constant pressure was rewarded when Moss Vale High School went 1-0 up into the half time interval.

After the break, Moss Vale continued to fire although Bathurst was slowly getting back into the game. Some strong individual play allowed Bathurst to equalise with a goal giving them the impetus to knock in a further two goals. Unfortunately, we had come up against one of the stronger teams in the competition first up which knocked Moss Vale out into the second half of the draw. The form of both sides was strong with Bathurst proving their

credentials by defeating another team to advance to the Grand Final to play Oxley High (Tamworth).

Moss Vale's next opponent would be Kirawee HS. The Kirawee team could not match the class of the Moss Vale High side and were defeated 7-2. This put Moss Vale in a play-off for 5th and 6th with Grafton HS. Grafton had also drawn a strong early team in Oxley and had been knocked into the latter half of the draw. They, like Bathurst, are a hotspot for accomplished hockey players. They had placed third in NSW in 2011 and expected to beat the Moss Vale boys in a canter. Grafton had some ingenious and savvy players although they never clicked as a team. This had always been the strength of the Mossy boys.

Once again, both sides had opportunities that went begging although the tug of war that was developing meant that the game was turning into quite a spectacle with the

crowd voicing their support and getting into the game. The floodgates opened in the second half for Moss Vale when two quick goals were blasted past the Grafton keeper. Instead of coming together, the Grafton team disintegrated allowing Moss Vale to get another goal to claim a well deserved victory. This triumph gave Moss Vale the ranking of the 5th best hockey school in NSW, an incredible performance from a smaller High School. All the boys should be immensely proud of their achievements. Their attitude on and off the sporting field has been exemplary. Congratulation, legends!

*Mr Nash - Coach*

### Vincent van Gogh's Irises

Special Ed students have been looking at art works by Vincent van Gogh. Students learnt about colour and how he liked to use complementary colours next to one another for a really vibrant effect.

Students recreated their own 'Irises' painting. They followed a number of steps and learnt to double-load their paint brush as well as creating an image with a foreground, mid ground and back ground.

## REMINDER

Term 4 commences for  
all students and staff on  
Monday, 8 October 2012

## From the Deputy Principal (Relieving)

What a term this one has been. As in life, this family we call Moss Vale High School has had many highs and a number of lows.

We were so proud of the performance of our Boys Hockey team who came 5<sup>th</sup> in the state. This is an outstanding performance when you consider that many of the schools that we competed against had twice as many students to select from. (Bathurst High School had close to 2000 students!) Hockey people at Newcastle, whom I know, believed that we were the 3<sup>rd</sup> best team there. Well done to Mr Nash and all the boys.

Students have also had a number of wonderful opportunities this term with excursions in sport, CAPA (Southern Stars), Agriculture, English, HSIE and in many other areas. Firstly we must thank all staff who have to go through a rigorous process to simply to get excursions approved even before actually organising venues, transport etc. In the last week, we had the Year 9 Science excursion to Questacon and the PBS Campbelltown train excursion. On the return trip from Canberra the school

received a compliment from Questacon and the Bus drivers, highlighting that our students were the best group that they had dealt with in a very long time, while Mrs Holmes received a number of compliments from other train travellers about the behaviour of our students. This is a regular response whenever Moss Vale High School students travel to other venues outside of the school. Well done to all our great, courteous students and teachers.

During these holidays we have eleven students and Ms Campbell, Ms Curtis and Ms Sandlands travelling to Namsung Middle School in Cheongju, South Korea. They are all so very excited about the trip and renewing friendships that were established when our Korean visitors were here a few weeks ago. For many this will be their first flight, let alone their first trip overseas. Our students are so very fortunate to have such a wonderful opportunity to develop new friends and to visit a totally different culture. Good luck to these students and thanks to the staff for giving up their holidays and accompanying students at their own expense.

This is just a very brief overview of the many things that our wonderful staff and students do daily at Moss Vale High School.

The unfortunate news for the school is the terrible loss of so many of our valued stud Suffolk sheep in three horrible and inhumane break-ins over the past ten weeks. The callousness of these acts and the emotional impact on our school is immeasurable. We can only hope that with the \$4500 reward put forward by Graeme Day, John and a retired police officer will help bring these criminals to justice. We hope that following our meeting last week with Ms Pru Goward that the Department may be able to give the school's animals the security that they deserve.

I want to thank all the students, parents and staff for their support for me as Relieving Deputy Principal this term. I am really looking forward to my trip to Europe next term. I wish Jemima Finlayson all the very best in her role as Deputy Principal next term, I know that she will do a fantastic job. Mrs Heather Kemp will relieve as Head Teacher Science. We are so lucky to have staff who are able to most capably fill positions that arise at Moss Vale High School.

Have a happy and safe holiday! See you in December!

13<sup>th</sup> September 2012.

To whom it may concern,

May I just take a minute of your time to thank and congratulate your students and accompanying teacher, Janette Taranto, on their behaviour whilst on board our coaches for their excursion to Questacon on Thursday 13<sup>th</sup> September 2012.

My drivers reported back to me that the students were extremely well behaved, polite and left our vehicles without a single bit of rubbish or damage. This certainly makes our job a lot easier to keep our vehicles clean and well maintained.

You should be very proud of these students and again I thank you and the students for showing great respect towards our drivers and vehicles.

Thank you and we look forward to dealing with you again in the future.

Yours Sincerely,  
  
 Tabatha Keast.  
 Operations Manager.

## Visual Design

### Year 9/10

Students were given a design brief to create a CD design for the Moss Vale High School Music department. The design needed to complement the CD title 'The Next Chapter' using dynamic designs informed by the elements and principles of design. The winner, whose design will appear on the next Moss Vale High School CD, will be announced shortly.

## Information for school communities about measles

Sydney is currently experiencing an outbreak of measles which began in April 2012 and is centred in the South Western Sydney and Western Sydney regions. Many of the cases have been high school students, with a smaller number in primary school. There is potential for the measles outbreak to spread further given young people have large social networks both within and outside of school.

NSW Health advises that measles is a serious viral illness that mainly affects unvaccinated children, teenagers, young adults, and babies too young to be vaccinated. Measles is highly infectious and can easily spread through the air.

Immunisation is effective in preventing the disease. In Australia, infants and young children are vaccinated with measles-mumps-rubella vaccine at 12 months and 4 years of age. People who are at risk of measles include:

- Infants <12 months who are too young to have been routinely vaccinated
- Older children who have not received 2 doses of measles-containing vaccine
- Adults born during or after 1966 who have not received 2 doses of measles-containing vaccine and haven't had measles infection in the past.

Immunising older siblings and non-immune adults will help prevent the spread of infection to infants who are too young to be vaccinated and who are at risk of severe disease.

The first sign of measles is a high fever which usually begins about 10 to 12 days after exposure to a person with measles (range 7-18 days). A runny nose, cough, red and watery eyes (conjunctivitis), and small white spots inside the cheeks can develop in the initial stage. The rash appears around 14 days after exposure, usually starting on the face and upper neck and spreading over the body, hands and feet. The rash lasts for 4-7 days.

### **IMPORTANT INFORMATION:**

People with measles are usually infectious from just before the symptoms begin until four days after the rash appears. If you have had contact with someone who has had measles and develop a fever, runny nose, cough, red and watery eyes, it may be measles and seek medical advice.

If you suspect measles, see your doctor, clinic or hospital. It is important to ring before your consultation so you can be seen as soon as possible and arrangements can be made to avoid contact with other patients in the waiting room who may be susceptible to measles.

A person with measles should remain at home until four days after the rash appears to reduce the possibility of spreading it to other people.

Further information about measles can be found on the NSW Ministry of Health website at:

<http://www.health.nsw.gov.au/factsheets/infectious/measles.html>

## Year 12 Bodies of Work

### Rebecca Jones

#### *Never the Boys*

My artwork shows how women are perceived in culture and how attitudes to women are developed through reading fairy tales in childhood. The figure of Little Red Riding Hood is a metaphor for the long and sometimes dark journey women take through their lives to find their identity. The shelves are designed to resemble a fireplace and provide reference to the traditional role of the woman as homemaker. The colour red is also symbolic through the work representing anger, love, passion, death, warning and luck.

### Kate Makin

#### *Ingrained*

Grain: the longitudinal arrangement or patterns of fibres in wood, paper, etc. The grain of the wood has been left unpainted where the problem is occurring in the environment. It shows how humans have destroyed the environment. They are painted on long boards as this relates to surfing culture and brings the message to young people. The triangle represents the triad 'creator, sustainer, destroyer'

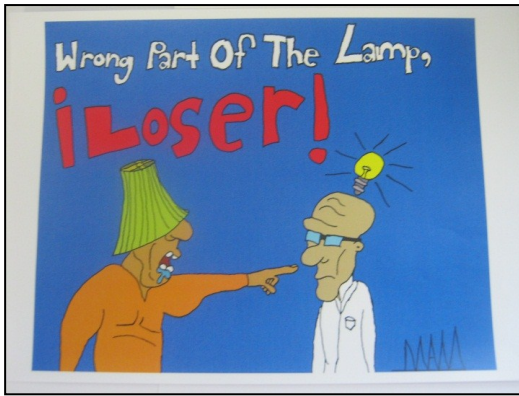

### Christine Woods

#### *Façade*

*(an outward appearance that is maintained to conceal a less pleasant reality)*

My artwork represents the facades or masks that people put up to hide their inner truth. As you read the images, the mask or façade slowly wears off. The smudging represents who the person really is. The words in the artwork are synonyms for 'mask' and 'façade'. The two lines of photographs are read like different chapters in a book.

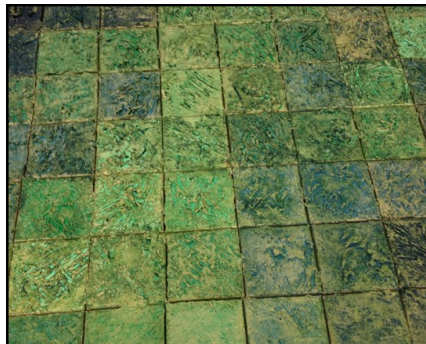

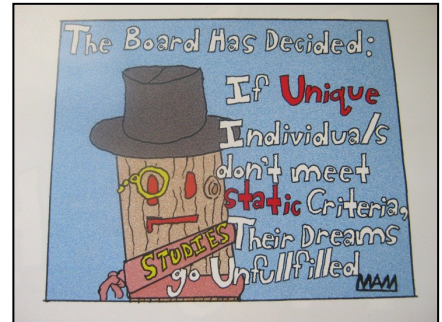

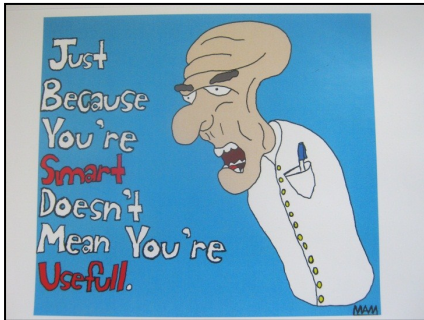

**Michael McCandless**

*Mirror*

I have used a mixture of image and text to communicate to the audience. I was mixing art and technology with the use of a drawing tablet. When my computer crashed destroying months of work I realised how fragile technology has made our society. The moving from physical to virtual has made us more prone to loss because of how delicate the systems are.

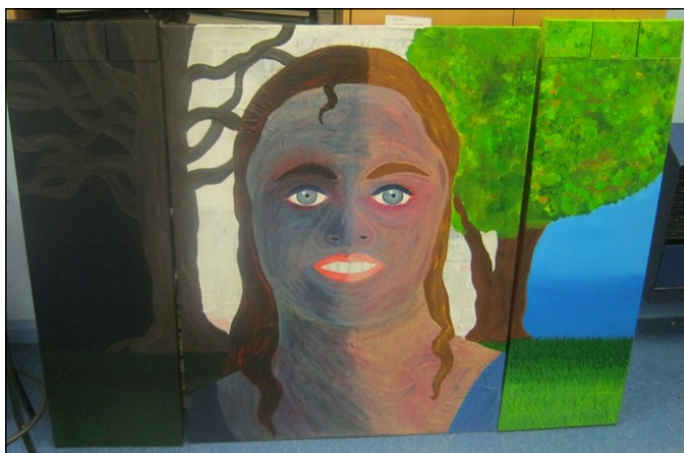

**Beau Acton**

*Analogue pixels*

Each square of canvas represents a digital pixel in an image. I am very interested in exploring different ways to produce textures to create surfaces and catch the light.

I am also exploring colour and tone to represent the extreme enlargement of an image, where you can only see the pixels.

In this image I have used twigs and leaves, etc to explore different textures and to add another dimension to my work

**Sarah Meers**

*The Light and Dark Side of Me*

I am attempting to show my audience my views on how different emotions expose different sides of us. I am challenging my audience to question themselves.

Digital Image and Drawing on Paper

My Body of Work is about natural disasters and the momentous impact they have on peoples' lives. Abstraction represents chaos here. The works on paper deconstruct Howard Arkley's paintings. I have included two Photo-shopped images that show the source of my abstract works.

### Packing the Artworks

All the Year 12 artworks in the Southern Highlands had to be sent to Sydney for corporate marking this year. It was a big job packing all the works.

## STOP PRESS

Ms Wendy Reid took five students to the Goulburn Eisteddfod Public Speaking Competition. They “scooped the pool” by winning just about every medal in all prepared and impromptu speeches.

Well done to **Allie Sims** who was third in Prepared and second in Impromptu speeches, **Matthew Christensen** who was first in Impromptu speeches, **Murron Reid** who won Prepared speeches, **Torii Cathie** who was second in Impromptu and highly recommended in Prepared speeches and **Rhiannon Young** won Impromptu speeches and was second in Prepared speeches.

Congratulation to all involved.
