**NEWSLETTER**

# Principal's Report

## Colour Run

I would like to thank Ms Tenille Leet for her hard work in organising our inaugural Colour Run. Many thanks to all the staff who helped in a variety of ways on the day. It was a fantastic day and the weather was very kind to us. The students thoroughly enjoyed the Colour Run and we managed to raise another \$2,000 for our farming families. I look forward to an even bigger and better event in 2019.

## R U OK Day

Our Positive Behaviour for Success team and SRC students worked together to organise a 'wear it yellow' mufti day last week for the annual R U OK? Day. This was an important day for raising awareness of the very real problem of mental health issues in our society. Students and staff were made aware of the **R U OK?'s four steps** so they can have a conversation that could change a life. All funds raised on the day went directly to our local farming families who are facing significant hardships with the ongoing drought. In total, Moss Vale High School has raised in excess of \$4,500 for our farmers.

**2. Listen**

**3. Encourage  
action**

**4. Check in**

## Captains, SRC and Leadership Team Inductions

At this week's assembly, we held the inductions for our newly elected School Captains, Senior Leadership team and Student Representative Council. The students were all presented with their respective leadership badges, and the new captains received their own blazers, generously supplied by our P&C. These students are exemplary ambassadors for Moss Vale High School and I look forward to working with them in their leadership roles.

The Senior Leadership team consists of Ella Robertson, Travis Neale, Nicholas Wilson and Katelyn Hall.

The School Captains are Daisy Schaefer, Cameron Clay, Jemima Huggett and Wes Thomas.

The SRC consists of: Year 7- Amelie Addison, Lachlan Jones, Mark Sims and Neve Wallace; Year 8 - Grace Clay, Ella Dagna, Lachlan Jones, Nicholas Sheppard, Ebony and Kaitlyn Yearsley; Year 9 - Amelia Barrington, Colin Cooksley, Maisy Evans, Emma, Makayla Jones and Hannah Mulcahy; Year 10 - Amelia Brook, Poppy Costello, Allie Kracht, Scott Lawrence, and Carlie Ragg; Year 11 - Cameron Clay, Katelyn Hall, Jemima Huggett, Ella Robertson, Daisy Schaefer, Wesley Thomas and Nicholas Wilson.

Congratulations to these very deserving and outstanding students.

Our senior leaders (L-R): Travis, Ella, Wes, Daisy, Cameron, Jemmi, Nicholas and Katelyn (absent)

### Moss Vale Public School - 150 Years of Educating Children

I had the pleasure of attending the formal assembly this week to celebrate Moss Vale Public School's Sesquicentenary. The school has been educating our local children for 150 years, providing a wonderful environment and quality education for countless young people over that time. I know the school will continue to go from strength to strength with Mrs Susan Hilliar as Principal. As Mrs Hilliar stated so eloquently in her address, 'Generations of families have attended this school on their own journeys of growth, captured in hundreds of photographs and thousands of stories.'

*Happy birthday Moss Vale Public School and congratulations to all the students, staff and families.*

### Year 12- Goodbye and Good luck!

Another Year 12 group moves towards the end of their high school career. We had a wonderful assembly last week to farewell Year 12 as a whole school community. The assembly consisted of all Year 12 performers and presenters, including Sophie Tottenham who spoke beautifully about her sense of belonging at Moss Vale high.

Year 12 students are a wonderfully talented, friendly and caring group of young people, and I am extremely proud of each one of them. I wish them well in the HSC exams and in the exciting future that lies ahead.

*I look forward to celebrating with Year 12 and their families at the Graduation on Thursday, September 27.*

Patricia Holmes

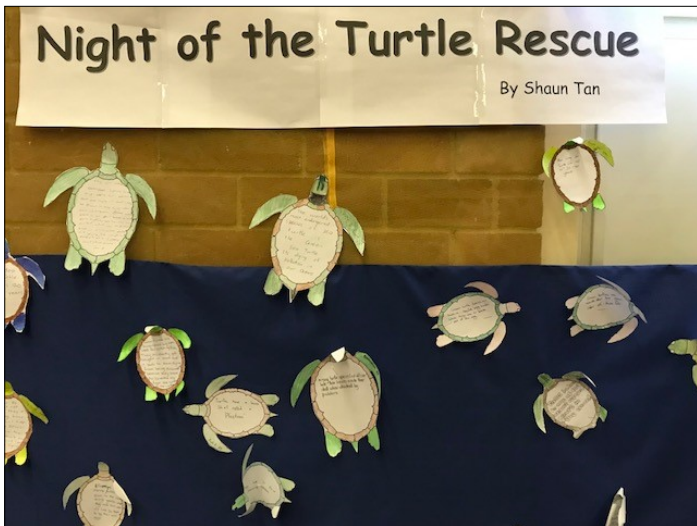

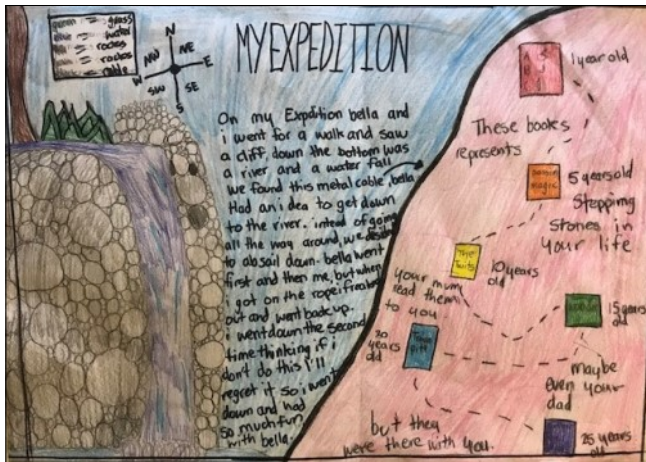

Principal

# Kick Off with Reading

This term, we celebrated our Kick Off with Reading text and Book Week as part of our Education Week assembly in Week Five and showcased some of the fantastic opportunities available to our students.

## Kick Off with Reading

Our Kick off with reading book of 2018, *Tales from Outer Suburbia* by Shaun Tan, has been more than just a reading book for roll call. Our different subject areas have used the stories as inspiration for teaching and learning in classrooms across our school.

In HSE, Year 8 Geography students have read "Our Expedition" and then created a BOLTS map - with a Border, Origin, Legend, Title and Scale - to illustrate an adventure. Year 8 Science read "The Night of the Turtle Rescue" and used visualisation to improve their understanding of the story. To link their study of ecosystems to their reading, students researched turtles and gathered interesting facts about how they live. These were then used to create the display of turtles.

In Year 7/8 Scripture, students read three stories, Night of the Turtle Rescue, (from *Tales From Outer Suburbia*), *The Boy and the Starfish*, and *Jesus feeds 5,000* and discussed the ways in which we as individuals can be a force for good in the world. The students learned that, even if the problem seems overwhelming, our small actions can make a big difference. We are called to do what we can to help others.

TAS uses technology to solve problems through design and innovation. Year 7 and 8 Tech students discovered that children's plastic toys take up a huge amount of landfill. These students were inspired by 'Make your own pet' to design toys for pre-schoolers and construct these out of recycled materials.

Stage 5 students in the Creative Writing elective created zines inspired by 'Distant Rain'.

The class also wrote haikus to summarise *Tales from Outer Suburbia*. These four were shared by **Rhiannon Hart** on the assembly.:

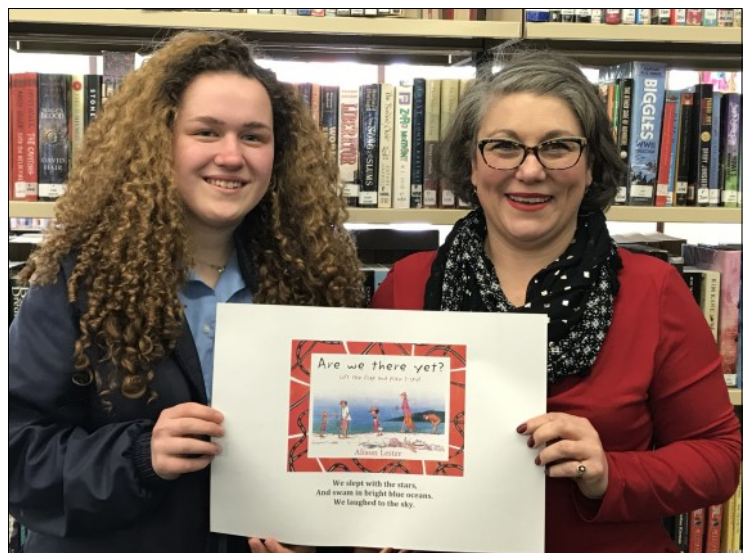

A book of stories,  
About magical suburbs,  
Where memories form.  
by **Cameron Smillie**

Capture a moment,  
Chuck in imagination,  
There, a book to read.  
by **Caitlin Miller**

A map swiftly ends;  
The edge of suburbia;  
Full of fluffy clouds.  
by **Marina Ott**

Private poems fall,  
Different meanings for us all,  
Stick figures standing small.  
by **Emily Waring**

Haikus were also submitted to the Reading Australia Haiku Challenge, **Hazel McGlynn** winning a book voucher for herself, and one for the school library.

## Moss Vale Tales

Students from our Stage 5 Creative Writing elective have been inspired by *Tales from Outer Suburbia* to capture stories about Moss Vale High. We plan to expand the Moss Vale Tales project to include the wider community, but for now, we have worked alongside students from Moss Vale primary to draft and edit stories about school. Abbey Melrose read her story.

# Hot, Crazy Sprinklers

By *Abbey Melrose*

Imagine a hot summer's day at Moss Vale High. It's sixth period and your class has Agriculture. Your teacher tells you all to go down to the Ag plot. You slowly walk down hoping the teacher will change his mind and let you stay in the cool classroom.

When you arrive he tells you to go to your garden patches and start weeding. Everyone becomes frustrated because it has started getting really hot. There are five minutes until the bell goes to go home. The teacher tells you to start packing up and go to the greenhouse because he has something to show the class.

He ushers everyone into the greenhouse and closes the door and locks it. A minute goes by and all of the sprinklers turn on. The girls begin screaming trying to cover their faces so that their makeup doesn't run down their faces while the boys all try to cool off as much as possible. The sprinklers turn off and the door opens.

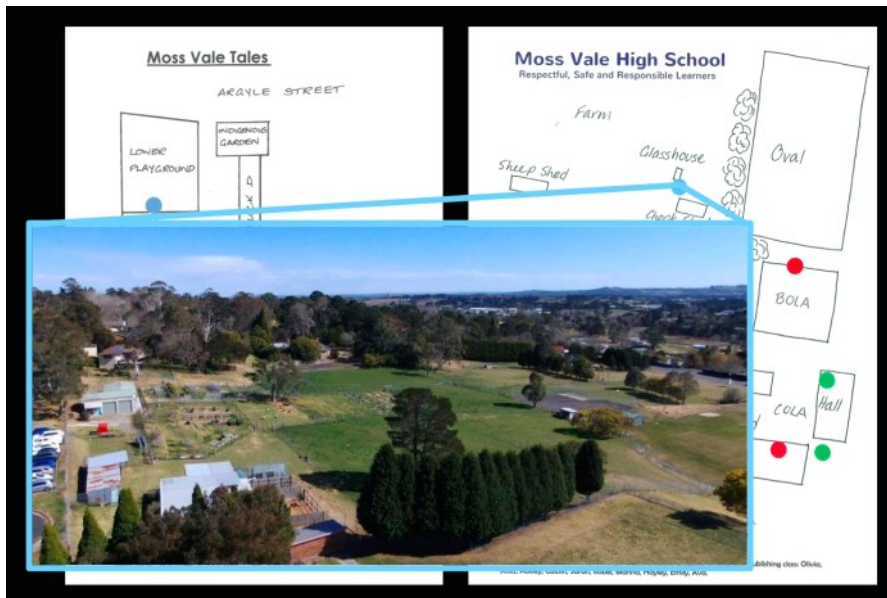

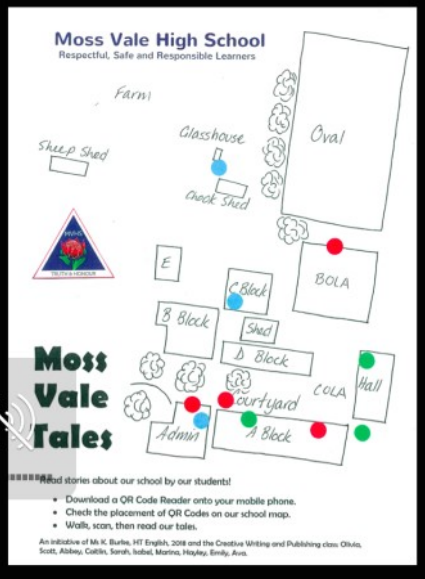

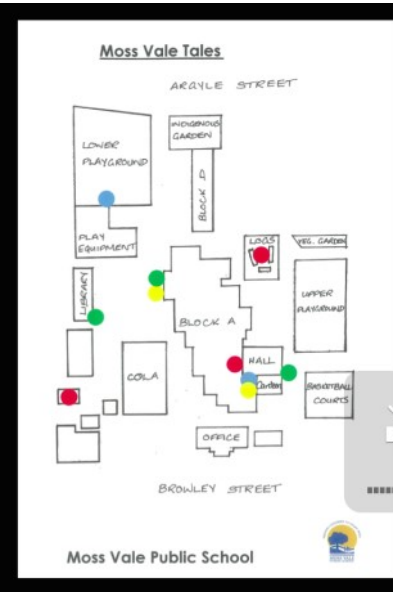

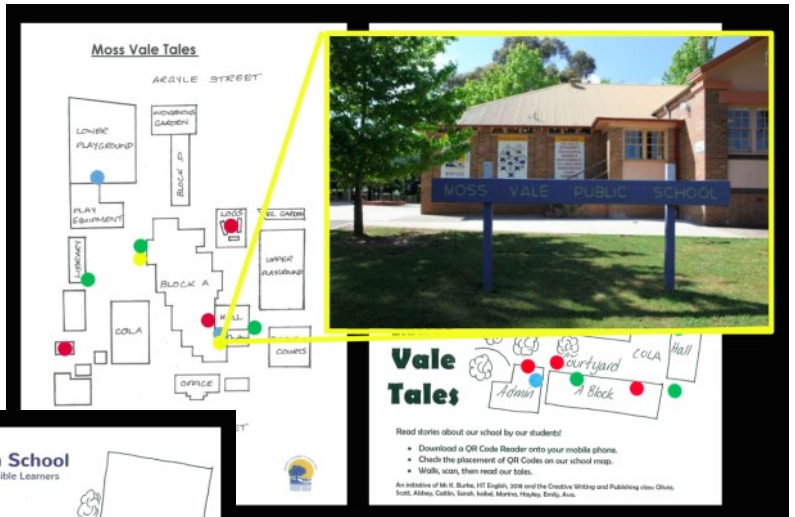

The class leave the greenhouse and walk back to the classroom. The class thanks the teacher and we leave to go home.

**Scott Lawrence** shared: "Last term, a group of Moss Vale High students travelled down to Moss Vale primary to work on the project called Moss Vale Tales. We were paired with a primary school student and we helped them write a story based on an experience from their schooling years. We assisted them with their editing process, and they managed to get their story done. I thoroughly enjoyed this experience and believe that it helps both the high schoolers and primary schoolers to learn how to write creatively and create friendships between different ages."

We also welcomed Mrs Carol Vandenberg and students from Moss Vale Public School to share their stories and experiences. Two weeks later, **Abbey** and **Scott** attended their school assembly to share their story and experiences.

Another opportunity associated with Kick Off with Reading was a Skype interview with the author and artist of *Tales of Outer Suburbia*, Shaun Tan. He spoke passionately about how his childhood in the Perth suburbs inspired his tales, and disclosed that this is his favourite of all his published books. He also revealed a sculpture of the main character in his latest story *Cicada*. While he often sketches character images as part of his writing process, Shaun sometimes creates a model to help him understand his ideas.

## Heywire

Each assembly this year, and in keeping with the theme of storytelling in *Tales from Outer Suburbia*, students and teachers have told tales from their own personal experiences. **Angela Hughes**, of Year 12, spoke emotionally about her family's farm and their struggle with the drought. Moved by these experiences, **Caitlyn Miller**, **Abbey Melrose** and **Amy Green** began work on a film entry for the ABC's *Heywire* competition. We travelled to Elm Vale with **Zoe Bosevski** as cinematographer to capture **Angela's** story and film the farm. **Zoe** and **Caitlyn** worked hard to edit the final cut that should be shared on an assembly later in the year.

## Book Week Guessing Competition

Rather than an individual book, this year staff were challenged to photograph a bookshelf that may or may not reveal their identity. Students were asked to correctly match a 'shelfie' with the staff member. **Ariann Stone** was the student winner and received a tote bag made from fabric with a 'Freshwater' design by Jacob Nakanuli from Pine Creek. Inside the bag were two book vouchers: one for herself, and one to give the gift of reading. *Ms Tweedie* was the inaugural winner from those staff members who entered.

# Thursday afternoon Art Class

Thursday afternoon art group recently looked at Product Design. We started with the Design Brief where everyone was asked to brainstorm and develop ideas for two badges that complemented each other and would be sold as a set. The designs were then transferred onto Polymer clay and then baked. The students had to also design and make their own packaging for their final badges. This was an extremely fun project that they all enjoyed with great results.

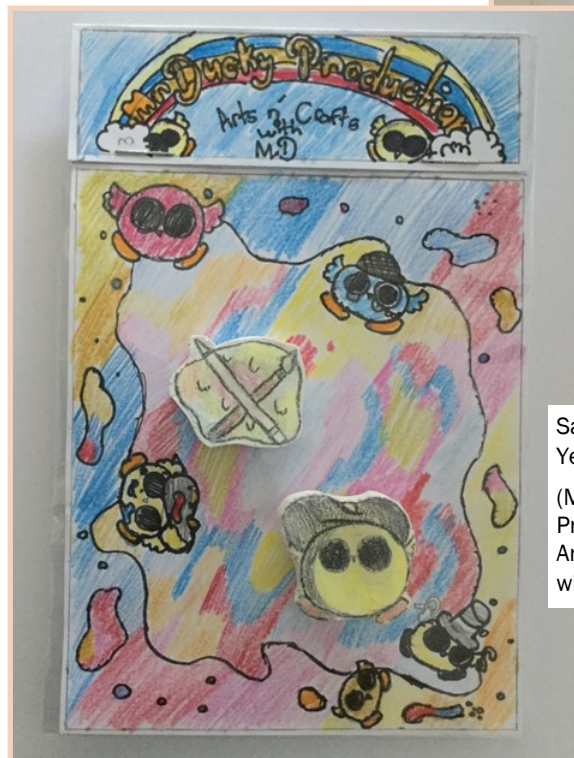

Rebekah Oehm, Year 7,  
(Dragon Jewellers - Water Lily)

Zoe Fuller, Year 7,  
(Art Love)

David Gillis, Year 7,  
(Sizzl'n Doggos)

Sam Johnston,  
Year 7,  
(Mr Ducky  
Production -  
Arts n' Crafts  
with MD)

Nicole Harper, Year 7, (Autumn Breeze)

## Activity Week News

The next Activity Week meeting for students will be held early term 4. **All outstanding money needs to be paid by the end of this term**, unless prior arrangements have been made. Students who fail to pay this outstanding money will jeopardise their position on that activity.

Students will also be issued with permission notes/medical information/itineraries and other forms at this meeting or in the near future. This information is vital. Would you please ensure the forms are fully completed, and if there is a change in circumstance prior to Activity Week, notify the leader as soon as possible.

Students participating in an overnight program will be issued with a behaviour expectation contract. This contract must be signed by both a parent/ care giver and the student.

**All forms should be returned to the individual activity leader, not the front office.**

**In mid-term 4, we will be conducting our annual swimming ability tests. All students who are participating in activities involving water will be required to attend this session.**

Most activity leaders have had to pay various providers significant amounts of money, or the total cost to secure their booking, it is therefore not possible to meet any request for refunds of money. It is still possible, however, for students to participate in Activity Week as there are positions available in limited activities. Any problems or questions, please contact me.

*Mr Nash*  
Activity Week Coordinator

## Year 12 Summer Master Classes 2019

### Applications now open

Maximise your HSC results and kick-start your Bachelor degree with our three week Summer Master Class university experience.

Receive a **guaranteed Early Admission interview to UOW and six unspecified credit points** towards your undergraduate degree!

With eight subjects linked to current HSC curriculum to choose from, the Summer Master Classes are a great way to get ahead in your final year, meet like-minded students from across NSW, and experience life as a university student whilst still in high school.

*Scholarships, sponsored places, and accommodation available.*

# Inaugural Colour Run

On Monday, 10 September, Moss Vale High School held its inaugural Colour Run to celebrate House Colours day, National Health and Physical Education Day (HPE Day) and to raise funds for our local farming families. This was a huge success with over 400 students being physically active with their peers, raising \$2000 for our local farming families and also being awarded #HPEday Social Media Competition Winners by ACHPER Inc. in their nationwide competition.

Moss Vale High School was awash in all colours of the rainbow with each student wearing house colours and receiving a pair of their house colour sunglasses and a wristband.

Before starting the big event, all students participated in the colour throw which escalated the exciting vibes of students eagerly waiting to commence the colour run. The bottom oval was a sea of colour as each age group left the starting line. Students were showered in colour as they navigated their way around the school. Students would then complete an obstacle course including hurdles, a tyre run and commando crawl as well as enjoying a photo booth with the MVHS Instagram Frame and busting out moves at the dance station.

**Congratulations to all students for taking part in this great event! Let's make it even bigger and better for 2019.**

## Term 3 sport report

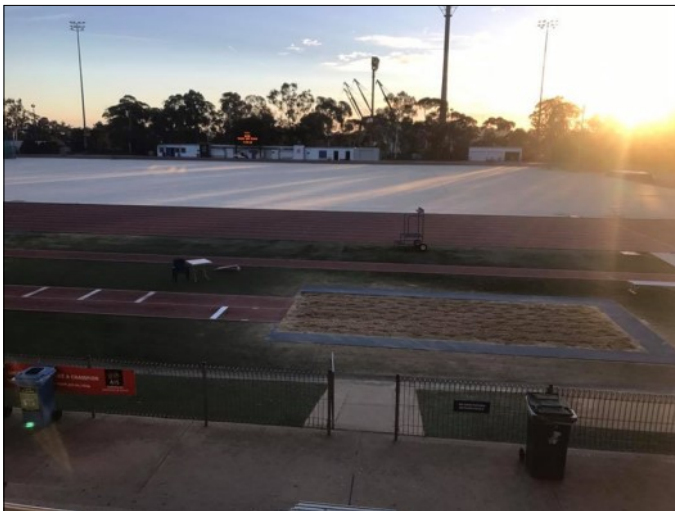

Term 3 kicked off with three of our students competing at the State CHS Cross Country titles. **Jemmi Huggett** of Year 11, **Liam Hinchcliffe** of Year 10 and **Asher Miller** of Year 7. All three students performed well, however one stood out.

**Liam** had an outstanding day placing 5th and made it through to the National Cross Country Titles. This alone was a fantastic achievement, yet he went on to compete at the National Titles where he was a part of the 14-15s relay team (5x2000m), he received a Bronze Medal in this event. What an outstanding achievement.

Week 2 of Term 3 saw our Regional Athletics students head off to Canberra once again. After having a slight accident and knocking myself out at the Schools Snow trip I was unable to attend, fortunately, we have a bunch of fantastic teachers here at Moss Vale High School who stepped forward to offer taking the students for me. A big thank you to those teachers and especially Mr Nash who made the long trip to Canberra.

The day starts off nice and early at 6:30am and students don't get home until around 5:30pm. Upon arrival the athletics grounds were completely frosted over, however, it soon defrosted and turned into a beautiful day.

Canberra Athletics Stadium at 8:30am brrrrrr.

We had some fantastic results and displays of sportsmanship throughout the day.

Some of the stand out performances of the day and who continued on to the CHS state Athletics carnival were that of **Liam Hinchcliffe** placing 1<sup>st</sup> in both 3000m and 1500m events, **Zac Kerton** 1<sup>st</sup> in Discus and 2<sup>nd</sup> in 200m, **Tyson Robb** 2<sup>nd</sup> in the 400m? **Olivia Tumonow** 1<sup>st</sup> in Discus and 3<sup>rd</sup> in Shot Put and **Aliiyah King-Dewit** 1<sup>st</sup> in 80m hurdles.

At the state carnival our students performed well, however, one student made it through to the NSW All Schools Athletics Carnival and that was **Zac Kerton**. **Zac** placed 2<sup>nd</sup> in the Shot Put, what a outstanding result. We wish him all the best for the NSW All Schools Carnival.

Many other students performed well placing 4<sup>th</sup> or 5<sup>th</sup>. A fantastic effort by all who attended.

Zac Kerton

Other students who continue to thrive in their chosen sports are students like **Jorji Webb** of Year 8. Jorji plays soccer in the National Premier League 2 for the Southern Branch at Nowra. **Jorji** plays in the U14s and plays across the Sydney area competing at a high level. Recently **Jorji** played in the Grand Final and winning the comp. **Jorji's** team played against the Australian Matildas coach's daughter's team (whom he also coaches) and can be seen in the photo below being congratulated by the coach Allan Stajic. Fantastic effort by **Jorji**, I look forward to hearing great things from this young lady over the coming years.

*Jorji and her grand final winning team. (Jorji 3<sup>rd</sup> from the left front row)*

*The Matildas Coach Allan Stajic congratulating Jorji on a fantastic game.*

Congratulations to **Maizy Evans** of Year 9 who received the local Sporting Champion Award from Stephen Jones MP ( pictured below)

The next day **Maizy** attended the NSW/ACT State Schools MTB Championships, where she came 1<sup>st</sup> in the NSW team for the senior girls and 2<sup>nd</sup> overall in the ACT/NSW combined senior girls. Another excellent effort by **Maizy**.

**Lucy Nash** of Year 7 continues to achieve great things in Hockey. She has been selected in the NSW U13s Hockey team and will head to Hobart at the end of the month to compete. We wish her all the best. **Lucy** also plays in the local Women's 1<sup>st</sup> grade side who won their Grand Final on the weekend for the first time in 18 years. Well Done!

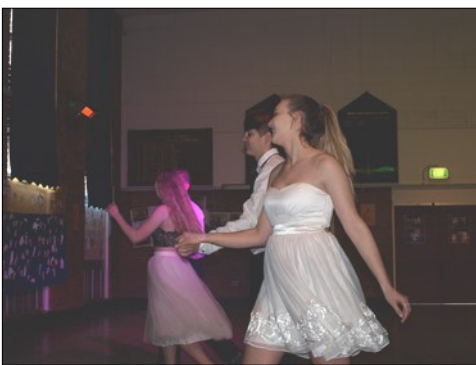

Our Boys Open Cricket team will head to Warilla early next term to continue in the Davidson Shield Knockout Competition. They will be led by their new Coach Mr Good. Good Luck Boys.

We have also had our Year 10 PASS class attend Moss Vale Primary school to run a "Small Games Gala Day" teaching them new skills and the importance of team work.

## Year 10 Games and Dance Assessment

Calling all Highland gals! Join us for Whacky Wickets this Spring. Make the most of the longer, warm Spring days on beautiful Bradman Oval, Bowral. 6x Friday afternoons, from October 12 to November 16. Women & girls of all ages - sisters, aunts, besties, mums & daughters - will enjoy a social night of cricket, fun, hospitality & music.

No experience necessary. Fully Supervised. The best \$10 you ever spent!

**DETAILS:**

Oct 12 - Nov 16, Friday nites 5.30-7.30pm. Females all ages. \$10 per week/ 6 weeks. Team T-Shirts included.

**BOOKINGS & ENQUIRIES CONTACT JOCK;**

coach@bradman.com.au | ph. 4862 1247 | visit [www.bradman.com.au](http://www.bradman.com.au)

Whacky Wickets is a fun, evenly paced social modified game of cricket, perfect for girls & women to join in some social fun! Teams consist of 8 players, on the beautiful manicured outfield of iconic Bradman Oval.

## Robertson Burrawang Cricket Club

Junior Registrations are now being taken for the upcoming season. There have been a few changes to the way cricket is being played in the Highlands this year:

**Woolworths Junior Blasters** is a skills based program for 4-7 year olds, Thursday afternoons at Robertson starting October 25th. Fee for the program is \$99 per child and all equipment is supplied (including a t-shirt with your name on it!)

**Woolworths Master Blasters** is a small game every Thursday afternoon at Eridge Park in Bowral for 8-10 year olds and runs for 90 minutes. 8 players per side, \$99 per child, all equipment is supplied. Starting on October 25th and should be a lot of fun!

**U11s** cricket is on Saturday mornings for 120 minutes, 7 players per team and 20 overs per side on a modified (shorter) pitch and a smaller field, using a soft plastic ball. Starting October 6th. Fees are \$100 and this includes a Robertson Burrawang CC shirt with your child's name and favourite number on the back. All players get to bat and bowl in each game!

**U13s** cricket Saturday mornings, 9 players per team and 20 overs per side on a modified (shorter) pitch and a smaller field, using a hard plastic ball. Starting October 6th. Fees are \$100 and this includes a Robertson Burrawang CC shirt with your child's name and favourite number on the back. All players get to bat and bowl in each game!

**U15s** cricket Saturday mornings for 120 minutes, 20 overs per team (possibly some 40 overs per team games later in the season) with a full size pitch, 11 players per team (this may be reduced), white clothes, proper cricket ball. Fees are \$100 and this includes a Robertson Burrawang CC shirt with your child's name and favourite number on the back.

**Girls** are able to play down one age group - e.g a 13 year old girl can play in the U11s team. This year it has been decided that the 'age' limits are not strictly adhered to, e.g a 12 year old boy who has not played proper cricket before may be eligible to play in the U11s competition.

We also are looking for a few extra players in our Senior teams this year for Saturday afternoon cricket, again, no matter what age or ability. Please get in touch if you'd like a game or two (or more!).

Sportsman's Dinner with the great **Kerry O'Keefe** at the Robertson Bowling Club on **Saturday October 27th**. Kerry is a former Australian Test Player and in recent years has proven to be one of the funniest guys in the game with his great and often eccentric commentary on ABC Radio and MMM radio, and will be working for Fox Sports Cricket this summer. Tickets are \$60 each or a table of 10 for \$550 and are on sale at the Bowling Club from next week. (Ph. 48 851 306).

For more info or to register please get in touch with Aaron on 0421 452 167 or at [aaronazz@hotmail.com](mailto:aaronazz@hotmail.com), or you can register directly at [PlayCricket.com.au](http://PlayCricket.com.au).

## School Holiday Horse Camps

FUN, EDUCATIONAL, INTERACTIVE, CREATIVE, OUTDOORS

**LIFE SKILLS – WITH HORSES AS THE TEACHER!**

An opportunity for participants to work alongside our horse teachers to build:  
self-confidence | self-awareness | teamwork | communication | leadership | trust | focus

**WHY HORSES?**

- Well, there's nothing quite like a 500Kg teacher!
- Horses' feedback is honest and immediate
- Horses help to install empathy and kindness
- Horses keep things simple
- Horses have natural herd behaviours that require trust, respect and teamwork from all members of the team
- Horses need us to concentrate!

**OUR SCHOOL HOLIDAY CAMPS**

- Offer an introduction to Horsemanship and Equine Experiential Learning
- Are ground based (no riding)
- Are for 8-16yo with a maximum of 4 participants
- Are for half (\$100) or full day (\$180)
- No horse knowledge or experience needed
- Participants learn to:
  - ✓ Improve communication skills
  - ✓ Value trust, respect and integrity
  - ✓ Accept responsibility and accountability
  - ✓ Overcome barriers to find change
  - ✓ Be creative and innovative
  - ✓ Find opportunities in working together
